

Grace Christian Preschool is celebrating

"Patriotic Days"

May is the month we focus on Patriotism! We want our children and our families to give special attention to our troops *and especially* our school family members and friends who are actively serving our great country!

Thursday, May 21 and Friday, May 22

Let's honor our country and the men and women serving in our military!!

Please celebrate with us by:

- Dressing your child in **red**, white, & **blue**.
- Joining us in the Amphitheatre for a flag ceremony at the beginning of each session.
- Sign-up with your teacher to bring in special **red**, white, & **blue** snacks.
- Pray for our President, country and troops.

Do you have a family member, or special friend, that is serving in the military or reserves right now? We would love to display their picture in the Parent Resource Center. Please bring a picture of that person (with his/her name, military branch and rank, where they are serving, & your name written on the back).

"GOD BLESS AMERICA"

Grace Christian Preschool invites you to join us in honoring our country, and those who serve, all month long but especially for...
