How excited we are to start the new school year! It is a time when will be meeting some new friends, saying “Hi” to friends from last year. We will have fun exploring our classrooms, and getting to know our teachers. God has made each one of us special and unique. We will learn that Jesus is a special friend who loves us so much. God has given us families to love. We will talk about how God made our families special and unique too! We will learn about using our **Five Senses** when we learn about the world God created. We’ll begin to learn about putting things back where they belong.

Chapel

During our daily chapels, we will begin our “walk” through the Beginner’s Bible. We start at the very beginning of the Bible, and by June, we will have learned God’s message and plan for us taught through His Word. We will also learn about the Bible and that it is God’s Word, and that it is Truth! This month, we begin that journey by hearing about how God created this beautiful world and everything in it. We will hear how sin entered the world, but how even that was part of God’s plan.
