**Theme**  
**All About Me**

**Verse**

**“For the grace of God...teaches us to say “No”...and to live self-controlled.” Titus 2:11-12**

**Curriculum**

How excited we are to start the new school year! We will be meeting some new friends, saying “Hi” to friends from last year, exploring our classrooms, and getting to know our teachers. We will learn that Jesus is a special friend who loves us so much. God has given us families to love. He also has made each of us special and unique. We will learn about what parts of our bodies bend, stretch and wiggle. We will learn about using our Five Senses when we learn about the world God created. As we settle in and learn the routine of school, we will feel play-dough, see through magnifying glasses on the science table, taste the snacks, hear the songs in chapel, and smell yummy things that we may cook. We will also learn about using our self-control as we sit in Circle Time, line up with our classmates, and how there are times we need to wait our turn during snack time. We will begin to learn about putting things back where they belong.

**Chapel**

During our daily chapels, we will begin our “walk” through the Beginner’s Bible. We start at the very beginning of the Bible, and by June, we will have learned God’s message and plan for us taught through His Word. This month, we begin that journey by hearing about how God created this beautiful world and everything in it. Then we learn how sin entered the world, as we hear the story about Adam and Eve, and the Sneaky Snake, but how even that was part of God’s Plan. Even though sin entered the world, because He loves His precious children so much, God has a plan for us to be with Him forever! We will also learn about the Bible and that it is God’s Word, and that it is Truth. We will meet some friends, Candy and Jimmy, who help us learn our Character Traits throughout the year. We will learn that to use Self-Control means that we have control over our body and emotions/keeping our hands and our feet to ourselves.
